AUTHORS

Arvin A, Corey L, Hirschman S
Benefit from today's antivirals. 58-75, Sep, oa
Balistreri WF see **Nowicki MJ**
Ballard R
Malpractice. 148-149, Jan; 124-129, Feb; 138-142, Mar; 11-110, Apr; 145-149, May; 99-102, Jul; 109-110, Aug; 101-105, Sep; 107-108, Oct; 106-110, Nov; 91-108, Dec.
Balmaceda JP, Manzur A
Current status of GIFT. 59-72, Dec, oa
Barnes WA see **Johnson JC**
Bast R, Preiser CMF, Ozer, Sidransky D
Clinical applications of tumor markers. 59-72, Nov, oa
Bavendam TG
Irritable bladder—a commonsense approach. 70-77, Apr, oa
Belsky DH, Hediger ML, Scholl TO
Hormone replacement therapy: use routine endometrial sampling? 46-56, Nov, oa
Benacerraf BR see **Bromley B**
Bendon RW
Twin placentas. 143, May, et
Berga SL
How stress can affect ovarian function. 87-94, Jul, oa
Berger GS
How many women are affected by endometriosis? 47-60, Oct, cd
Bergman A
Recurrent incontinence. Author's reply. 111-118, Feb, et
Berkowitz RS, Goldstein DP, Bernstein MR
Updated approach to complete molar pregnancy. 78-84, Jul, oa
Bernstein MR see **Berkowitz RS**
Bernstein P
Laparoscopy costs. 98, Oct, et
Blitzer MG see **Meyers CM**
Blume SB, Counts SJ, Turnbull JM
When you first suspect substance abuse. 74-94, Mar, oa
Boike RM
Ovarian cancer prevention. Author's reply. 131-132, Jan, et
Bromley B, Frigoletto FD, Benacerraf BR
Pitfalls and opportunities in fetal sonography. 22-40, Jun 15, oa
Burton BK
MSAFP levels. Author's reply. 148, Mar, et
Bush IM see **Rudy DR**
Cabaniss M see **Chez RA**
Carpenter SE see **Wallach EE**
Chancellor MB, Gomella LG
Recurrent incontinence. 111-118, Feb, et
Chestnut CH see **DeCherney AH**
Chez RA, Cabaniss M, O'Brien W, Quilligan EJ
Aspirin use during pregnancy. 86-107, Apr, sy
Chez RA, Meeks GR
Secondary closure. 35-36, Feb, cd
Chez RA see **Dean CL**
Chez RA see **Summerhayes L**
Clark SL see **Dildy GA**
Clark SL see **Varner MW**
Cohen MI
Health care in the US: what about adolescents? 89-98, May, oa
Corey L see **Arvin A**
Counts SJ see **Blume SB**
Cox S see **Mead PB**
Crombleholme W see **Mead PB**
Cruikshank SH, Kovac SR
Anatomic changes of ureter during vaginal hysterectomy. 38-53, Feb, oa
Crum CP
Koilocytosis in Pap smears: how useful a finding? 66-77, Jul, oa
Cunningham AS
Let's rethink meconium suctioning. 23-31, Jul, oa
Curry S see **Weber A**
Dawood MY see **DeCherney AH**
DeCherney AH, Dawood MY, Chestnut CH
Endometriosis therapy: what impact on bone mass? 62-74, Oct, oa
DeLancey JOL
Pelvic floor dysfunction: causes and prevention. 68-80, Jan, oa
Dean CL, Chez RA
Using vasopressin in paracervical block. 42-44, Oct, cd
Dildy GA, Clark SL
Acute puerperal uterine inversion. 13-21, Jul, em
Hypertensive crisis. 11-22, Jun, em
Managing eclampsia. 13-19, May, em
Postpartum hemorrhage. 21-29, Aug, em
Umbilical cord prolapse. 23-32, Nov, em
Dimond DA
Ob-gyn problems of adolescence are universal. 37-51, Jan, oa
Donovan JF, VanVoorhis BJ
Legal issues in operative laparoscopy. 31-39, Aug, oa
Elliott JP
Tocolysis results. 106, Sep, et
Twin placentas. Author's reply. 143, May, et
Evans P see **Gaskill S**
Ferre M see **Meyers CM**
Fisher RS see **Niewiarowski T**
Freeman RK see **Weeks JW**
Frigoletto FD see **Bromley B**
Gajewski W see **Weber A**
Gaskill S, Evans P
Maximizing mammography quality. 43-51, Jun 15, oa
Ghidini A, Romero R
Premature rupture of membranes: steps in diagnosis. 25-36, Dec, oa
PROM at term: induction versus expectant management. 79-85, Aug, oa
Ghidini A see **Romero R**
Gold JA
OC use after 35: medicolegal implications of revised labeling. 35-44, Nov, oa
Goldstein DP see **Berkowitz RS**
Gomella LG see **Chancellor MB**
Gomez R see **Romero R**
Goncalves L see **Romero R**
Gonik B, Jacobson R
Antiendotoxin. Author's reply. 150, Mar, et
Goodnough LT
Autologous donation—a safe transfusion alternative. 27-38, Apr, oa
Hakim-Elahi E
Vaginal hysterectomy. 147, Mar, et
Hale M
Office laboratories: what CLIA means to you. 59-64, Apr 15, oa
Universal precautions are now mandatory. 53-57, Apr 15, oa
Hallock GG
Cutaneous coverage for groin and perineal wounds. 45-57, Dec, oa
Harrison G
Encouraging breastfeeding. 110, Jul, et
Hediger ML see **Belsky DH**
Herbst AL, Jones H, Reid R, Richart R
Interpreting the new Bethesda classification system. 86-107, Aug, sy
Hewett W see **Weber A**
Hirschman S see **Arvin A**
Hooton T see **Mead PB**
Jackson LG, Mahoney MJ, Mennuti MT, Simpson JL
Weighing the advantages CVS confers. 107-130, Jan, sy
Jacobson R see **Gonik B**
Johns A see **Soderstrom RM**
Johnson JC, Barnes WA
How to choose the right abdominal incision. 56-73, Mar, oa
Incision choices. Author's reply. 97, Oct, et
Johnson MJ see **Johnson TRB**
Johnson TRB, Johnson MJ
Identifying fetal movement and behavior patterns. 11-16, Sep, oa
Jonas G
Incision choices. 97, Oct, et
Jones H, Noller K, Reid R, Richart R
Managing patients with low-grade Pap smears. 82-94, Nov, sy
Jones H see **Herbst AL**
Jones HW see **Wallach EE**
Jones KP see **Speroff L**
Jones SE
Clinical challenge—breast cancer in pregnancy. 49-55, Mar, oa
Julian TM
Vasopressin use during vaginal surgery. 82-94, Jan, oa
Kaunitz A see **Speroff L**
Kaunitz, AM
DMPA: a new contraception option. 19-34, Jan, oa
Keith L, Lopez JA, Luke B
Triplet and higher order pregnancies. 36-50, Jun, oa
Kelly KG
Which surgical patients need nutritional support? 25-35, Jun, oa
Kernes SM
Encouraging breastfeeding. Author's reply. 110, Jul, et
Kirkley WH
Breast exams. 143, May, et
Kivnick S
Practical guide to resectoscopic surgery. 11-39, Apr 15, oa
Kovac SR see **Cruikshank SH**
Levine EM
Antiendotoxin. 148-150, Mar, et
Li TS
Oxytocin and patience. 122-125, Apr, et
Lipshultz LI see **Werner MA**
Lopez JA see **Keith L**
Luke B see **Keith L**
MacGregor D
Demystifying ovulation and pregnancy kits for your patients. 67-60, Apr 15, oa
Meeting new office design requirements. 40-42, Apr 15, oa
Mahoney MJ see **Jackson LG**
Manzur A see **Balmaceda JP**
Marculis GB
Fertility, pregnancy, and the older woman. 101-123, May, oa
Marusak JJ see **Rodgers BD**
McCullough LB
Patienthood of fetus. Author's reply. 118-121, Feb, et
McCurdy CM see **Seeds JW**
McIlhaney JS
Caring for adolescents. 97-98, Oct, et
McNeeley SG
Lower urinary tract infections in pregnancy. 99-103, Mar, oa
Mead PB, Cox S, Crombleholme W, Hooton T
Urinary tract infection: Is it reinfection or recurrence? 84-108, Feb, sy
Meeker CI
How practice guidelines aid patient management. 21-31, May, oa
Meeks GR see **Chez RA**
Mennuti MT see **Jackson LG**
Merenstein GB
HBV vaccination in newborns: why the delay? 37-42, Dec, oa
Meyers CM, Blitzer MG, Simpson JL
Managing unexplained elevated MSAFP with ultrasound and amniocentesis. 10-16, Mar, gp
Meyers CM, Ferre M
Telling your patient about abnormal genetic test results. 13-16, Feb, gp
Morgan MA, Thurnau GR
Detecting fetal-pelvic disproportion. 53-67, Jun 15, oa
Nezhat C, Nezhat F
Laparoscopy costs. Author's reply. 98, Oct, et
Niebyl JR
Preventing preterm labor with tocolytics. 21-37, Mar, oa
Tocolysis results. Author's reply. 106, Sep, et
Niewiarowski T, Fisher RS
Effects of upper GI dysmotility in pregnancy. 67-82, Feb, oa
Nolan TE
Treating pregnant patients who have epilepsy. 57-77, Aug, oa
Noller K see **Jones H**
Notelovitz M
Reducing patients' risk for coronary artery disease. 53-70, Jun, oa
Nowicki MJ, Balistreri WF
Hepatitis A through E: new viruses, new problems. 49-72, May, oa
Three important new hepatitis viruses: C, D, and E. 71-91, Jun, oa
Nygaard I
Nonsurgical therapy for SUI. 79-94, Oct, oa
O'Brien W see **Chez RA**
Oshinsky GS, Smith AD
Laparoscopic entry instrumentation: product options and designs. 44-50, Apr 15, oa
Ozer H see **Bast R**
Papiernik E
Interventions to prevent preterm delivery. 54-68, Apr, oa
Parker WH
Laparoscopic-assisted hysterectomy: approach with caution. 19-34, Sep, oa
Pastorek JG
Patienthood of fetus. 118-121, Feb, et
Pataner B
Office transvaginal sonography: uterine cancer applications. 11-20, Jun 15, oa
Piver MS, Recio FO
When is ovarian cancer screening helpful? 17-32, Feb, oa
Pollack AE
Long-term consequences of female and male sterilization. 41-54, Aug, oa
Preiser CMF see **Bast R**
Priver D
Next 20 years. 125, Apr, et
Queenan JT
Breastfed is still best fed. 6-9, Feb, ed
Getting smokers to pack it in. 6-9, Mar, ed
Graduation thoughts. 6-9, Jul, ed
Health-care planning: inclusive vs. exclusive. 8-11, May, ed
Keeping up with ultrasound. 8, Jun 15, ed
Name that doctor. 8, Aug, ed
Ob-gyn in 2013. 6-13, Jan, ed
Putting perinatal dollars up front. 8, Jun, ed
Real bottom line. 8, Apr, ed
Real key to health-care reform. 8-11, Oct, ed
Standardizing our standards. 6, Nov, ed
Three who made a difference. 8, Dec, ed
Women's health care—primary care. 6-9, Sep, ed
Quilligan EJ see **Chez RA**
Recio FO see **Piver MS**
Reid R
Rational management of cervical and vulvar neoplasia. 92-112, Jun, oa
Reid R see **Herbst AL**
Reid R see **Jones H**
Reiner IJ
Vaginal hysterectomy. 143, May, et
Riccardi VM, Simpson JL
Prenatal diagnosis and genetic counseling for NF-1 and NF-2. 15-16, Jan, gp
Richart R see **Herbst AL**
Richart R see **Jones H**
Robertson J see **Wallach EE**
Rodgers BD, Marusak JJ, Rodgers DE
Medical, legal, and ethical considerations in prenatal injury cases. 13-23, Apr, oa
Rodgers DE see **Rodgers BD**
Romero R, Ghidini A
Premature rupture of membranes: relevance and frequency. 33-44, May, oa
Premature rupture of membranes: amniotic fluid infection. 75-80, Nov, oa

Sep 15— Fertility

Romero R, Goncalves L, Gomez R
Should ultrasound be routine? 9-16, Nov, et
Romero R see **Ghidini A**
Rudy DR, Bush IM
Sexual dysfunction after hysterectomy. 39-46, Mar, oa
Sanders RC
MSAFP levels. 147-148, Mar, et
Schiffman, MH
Latest HPV findings: some clinical implications. 27-41, Oct, oa
Schmidt P see **Speroff L**
Scholl TO see **Belsky DH**
Schuman AJ
Single umbilical artery. 111, Feb, et
Seeds JW, McCurdy CM
Value of screening for fetal posterior fossa. 37-56, Sep, oa
Shulman LP
NTDs and folic acid. 15-16, Aug, gp
Sidransky D see **Baat R**
Simpson JL see **Jackson LG**
Simpson JL see **Meyers CM**
Simpson JL see **Riccardi VM**
Smith AD see **Oshinsky GS**
Smith M see **Soderstrom RM**
Soderstrom RM
Equipment that serves our needs. 8, Apr, ed
Soderstrom RM, Johns A, Smith M, Stovall TG
Laparoscopic-assisted vaginal hysterectomy. 71-100, Apr 15, sy
Speroff L
HRT for the woman who has had breast Ca? 33-65, Jul, oa
Speroff L, Jones KP, Kaunitz A, Schmidt P
Treating the perimenopausal patient. 124-142, May, sy
Stovall TG
Vaginal hysterectomy. Author's reply. 147, Mar, et
Stovall TG see **Soderstrom RM**
Summerhayes L, Chez RA
Fitting the cervical cap. 99-104, Jan, cd
Thurnau GR see **Morgan MA**
Trudinger BJ
How Doppler ultrasound assesses fetal condition. 54-64, Feb, oa
Tucker MS
Self-medication protocol for UTI patients. 75-86, May, oa
Turnbull JM see **Blume SB**
VanVoorhis BJ see **Donovan JF**
Varner MW, Clark SL
Antepartum bleeding. 11-24, Dec, em
Wallach EE, Carpenter SE, Jones HW, Robertson J
How ethical considerations affect clinical care. 104-136, Mar, sy
Weber A, Gajewski W, Hewett W, Curry S
Ovarian cancer prevention. 131-132, Jan, et
Weeks JW, Freeman RK
Inflammatory bowel disease in pregnant women. 41-53, Apr, oa
Weiner SL
Gynecologic care of the disabled woman. 55-67, Jan, oa
Werner MA, Lipshultz LI
How practical are male infertility technologies? 76-88, Sep, oa
Wessley AC
Patient decision making. 11, Aug, et
Whitworth TC
IM injections. 110, Jul, et
Witter FR
Using prostaglandin E2 for cervical ripening. 78-84, Apr, oa

SUBJECTS

ABNORMALITIES
DMPA: a new contraception option. 31, Jan, oa
Early CVS associated with limb reduction defects. 121, Apr, nl
Fertility, pregnancy, and the older woman. 107, May, oa
Managing unexplained elevated MSAFP with ultrasound and amniocentesis. 10-16, Mar, gp
Mental retardation of twins differs. 149, Jan, mu
MSAFP levels. 147-148, Mar, et
MSAFP levels. Author's reply. 148, Mar, et
Neural tube defects. 116-118, Feb, nl
Pitfalls and opportunities in fetal sonography. 32-37, Jun 15, oa
Prenatal diagnosis and genetic counseling for NF-1 and NF-2. 15-16, Jan, gp
Self-medication protocol for UTI patients. 75-86, May, oa
Should ultrasound be routine? 9, 13, Nov, et
Surrogate father held liable for birth defects. 100, Jul, mu
Telling your patient about abnormal genetic test results. 13-16, Feb, gp
Treating pregnant patients who have epilepsy. 60-65, Aug, oa
Value of screening for fetal posterior fossa. 37-56, Sep, oa
Weighing the advantages CVS confers. 114-124, Jan, sy

ABORTION
Arbitration agreement voided. 110, Apr, mu
Clinical challenge—breast cancer in pregnancy. 49, 50, Mar, oa
Dual parental consent for minor's abortion. 105, Sep, mu
How ethical considerations affect clinical care. 104-136, Mar, sy
Marketing RU-486 in US. 138, Mar, mu
Medical, legal, and ethical considerations in prenatal injury cases. 14-16, Apr, oa
NYC doctor gets long prison sentence. 107, Oct, mu
Patient not told of incomplete abortion. 141, Mar, mu
Postcoital treatment effective. 119-120, Apr, nl
Pregnancy and abortion rates among US teens. 105, Jul, nl
Vasopressin use during vaginal surgery. 90, Jan, oa
Waiting period before abortion. 105, Sep, mu

ABORTION, SPONTANEOUS
Fertility, pregnancy, and the older woman. 107, 108, May, oa
Getting smokers to pack it in. 6-9, Mar, ed
Medical management of missed abortion. 152-154, Mar, nl
Outcomes after amniocentesis and CVS. 115, Feb, nl
Weighing the advantages CVS confers. 112, 114, Jan, sy

ABRUPTIO PLACENTAE
Antepartum bleeding. 12, 16-22, Dec, em

ACQUIRED IMMUNODEFICIENCY SYNDROME
Blood bank must disclose name of HIV-positive donor. 11, Apr, mu
Challenge of HIV prevention. 122, Feb, nl
More illnesses associated with HIV and AIDS. 152, Mar, nl
No one is immune from TB. 95-99, Sep, nl
Sexual lifestyles in Britain and France. 115, Apr, nl
Women with AIDS. 129, Feb, mu
Women's AIDS risk. 108, Oct, mu

ACYCLOVIR
Benefit from today's antivirals. 58-62, Sep, oa
Chickenpox treatments questioned. 115-116, Feb, nl
Keeping genital herpes at bay. 104, Oct, nl

ADENOCARCINOMA
Interpreting the new Bethesda classification system. 95-100, Aug, sy

ADOLESCENCE
Caring for adolescents. 97-98, Oct, et
Dual parental consent for minor's abortion. 105, Sep, mu
Gynecologic care of the disabled woman. 56, Jan, oa
Health care in the US: what about adolescents? 89-98, May, oa
Ob-gyn problems of adolescence are universal. 37-51, Jan, oa
Pregnancy and abortion rates among US teens. 105, Jul, nl
Sexual activity among US teens. 154, Mar, nl
Supplemental calcium increases bone mass in teenagers. 99-100, Nov, nl
Teens and AIDS. 109, Dec, nl

AGE FACTORS
Fertility, pregnancy, and the older woman. 101-123, May, oa
HRT for the woman who has had breast Ca? 34-40, Jul, oa
Latest HPV findings: some clinical implications. 30, 32, 36, Oct, oa
OC use after 35: medicolegal implications of revised labeling. 35-44, Nov, oa
When is ovarian cancer screening helpful? 28, 30, Feb, oa

AGING
Meeting new office design requirements. 40-42, Apr 15, oa
Mechanisms of breast cancer. 102-105, Apr 15, nl

ALCOHOL DRINKING
When you first suspect substance abuse. 74-94, Mar, oa

ALPHA FETOPROTEINS
Clinical applications of tumor markers. 66, Nov, oa
Managing unexplained elevated MSAFP with ultrasound and amniocentesis. 10-16, Mar, gp
MSAFP levels. 147-148, Mar, et
MSAFP levels. Author's reply. 148, Mar, et
Telling your patient about abnormal genetic test results. 16, Feb, gp
Value of screening for fetal posterior fossa. 42-46, Sep, oa

AMANTADINE
Benefit from today's antivirals. 60-63, Sep, oa

AMENORRHEA
How stress can affect ovarian function. 87-94, Jul, oa

AMERICAN COLLEGE OF OBSTETRICIANS/GYNECOLOGISTS
Laparoscopic-assisted vaginal hysterectomy. 95, Apr 15, sy

AMNIOCENTESIS
Managing unexplained elevated MSAFP with ultrasound and amniocentesis. 10-16, Mar, gp
Outcomes after amniocentesis and CVS. 115, Feb, nl
Premature rupture of membranes: amniotic fluid infection. 75, 79, Nov, oa
Preventing preterm labor with tocolytics. 28, Mar, oa
Value of screening for fetal posterior fossa. 46, 48, Sep, oa
Weighing the advantages CVS confers. 107-130, Jan, sy

AMNIOTIC FLUID
Pitfalls and opportunities in fetal sonography. 37, Jun 15, oa
Premature rupture of membranes: amniotic fluid infection. 75-80, Nov, oa
Premature rupture of membranes: steps in diagnosis. 25-36, Dec, oa
Value of screening for fetal posterior fossa. 42-46, Sep, oa

ANEMIA
Autologous donation—a safe transfusion alternative. 27, 30, Apr, oa
Inflammatory bowel disease in pregnant women. 45, Apr, oa

ANEMIA, SICKLE CELL
Misread genetic tests. 101, Sep, mu

ANESTHESIA
Analgesia for cold coagulation. 154-155, Mar, nl
Breast augmentation cases. 99, Jul, mu
Expert testimony not needed in case. 108-110, Nov, mu
Gynecologic care of the disabled woman. 62, 64, Jan, oa
Secondary closure. 35, 36, Feb, cd
Using vasopressin in paracervical block. 42-44, Oct, cd
Vasopressin use during vaginal surgery. 83, Jan, oa

ANIMAL STUDIES
Laparoscopic-assisted vaginal hysterectomy. 87, 88, Apr 15, sy

ANOVULATION
Fertility, pregnancy, and the older woman. 101-123, May, oa
Treating the perimenopausal patient. 124-142, May, sy

ANTIBIOTICS
How to choose the right abdominal incision. 58, Mar, oa
Lower urinary tract infections in pregnancy. 99-103, Mar, oa
Premature rupture of membranes: amniotic fluid infection. 79, Nov, oa
Preventing catheter-associated UTI. 146, Jan, nl
PROM at term: induction versus expectant management. 82, Aug, oa
Self-medication protocol for UTI patients. 76, 79, 84, 86, May, oa
Urinary tract infection: Is it reinfection or recurrence? 84-108, Feb, sy

ANTICONVULSANTS
Treating pregnant patients who have epilepsy. 57-77, Aug, oa

ANTIGENS
When is ovarian cancer screening helpful? 18, 21, Feb, oa

ANTIVIRAL
Benefit from today's antivirals. 58-75, Sep, oa

ANXIETY
When you first suspect substance abuse. 79, 80, 87, Mar, oa

ASPIRIN
Aspirin use during pregnancy. 86-107, Apr, sy
How Doppler ultrasound assesses fetal condition. 63, Feb, oa

BACTERIURIA
Lower urinary tract infections in pregnancy. 99-103, Mar, oa
Urinary tract infection: Is it reinfection or recurrence? 84-108, Feb, sy

BENZODIAZEPINES
When you first suspect substance abuse. 80, 83, 88, 90, Mar, oa

BIOPHYSICS
Premature rupture of membranes: steps in diagnosis. 26, 32, 33, Dec, oa

BIOPSY
Clinical challenge—breast cancer in pregnancy. 50, Mar, oa
Hormone replacement therapy: use routine endometrial sampling? 46-56, Nov, oa
Interpreting the new Bethesda classification system. 100, 103, Aug, sy
Koilocytosis in Pap smears: how useful a finding? 72, 77, Jul, oa
Managing patients with low-grade Pap smears. 82-94, Nov, sy
Office transvaginal sonography: uterine cancer applications. 16, 19, Jun 15, oa
Treating the perimenopausal patient. 135, May, sy
Trial ordered on claim of failure to diagnose cancer. 124-126, Feb, mu
Vasopressin use during vaginal surgery. 86, Jan, oa

BIRTHWEIGHT see **INFANT, LOW BIRTHWEIGHT**

BLADDER
Anatomic changes of ureter during vaginal hysterectomy. 38, 47, Feb, oa
Irritable bladder—a commonsense approach. 70-77, Apr, oa
Laparoscopic-assisted hysterectomy: approach with caution. 27, Sep, oa
Nonsurgical therapy for SUI. 90, 91, Oct, oa
Recurrent incontinence. 111-118, Feb, et
Recurrent incontinence. Author's reply. 111-118, Feb, et
Urinary tract infection: is it reinfection or recurrence? 84-108, Feb, sy

BLOOD BANKS
Blood bank must disclose name of HIV-positive donor. 11, Apr, mu

BLOOD COAGULATION DISORDERS
Antepartum bleeding. 16, 21, Dec, em

BLOOD PRESSURE
Reducing patients' risk for coronary artery disease. 54, 63, Jun, oa

BLOOD TRANSFUSION
Antepartum bleeding. 12, 13, 22, Dec, em
Blood substitute sought. 145-146, Jan, nl
How ethical considerations affect clinical care. 122-135, Mar, sy
Postpartum hemorrhage. 23, Aug, em
Three important new hepatitis viruses: C, D, and E. 71-91, Jun, oa

BLOOD TRANSFUSION, AUTOLOGOUS
Autologous donation—a safe transfusion alternative. 27-38, Apr, oa

BLOOD VESSELS
How Doppler ultrasound assesses fetal condition. 54, 64, Feb, oa
How to choose the right abdominal incision. 67, Mar, oa

BODY WEIGHT
Triplet and higher order pregnancies. 43, 45, Jun, oa
When you first suspect substance abuse. 79, Mar, oa
Which surgical patients need nutritional support? 26, 26, Jun, oa

BONE AND BONES
DMPA: a new contraception option. 26, Jan, oa
Endometriosis therapy: what impact on bone mass? 62-74, Oct, oa
Supplemental calcium increases bone mass in teenagers. 99-100, Nov, nl

BRAIN DAMAGE
Birth-damaged patient blocked from filing suit. 92, 108, Dec, mu
Claims on behalf of unborn subject to arbitration. 99, Jul, mu
Court rules chromosomal blood test necessary. 109-110, Apr, mu
Damages awarded for stroke during birth. 145-146, May, mu
Improper care declared cause of brain damage. 138, Mar, mu
Teenager wins brain damage suit. 149, Jan, mu

BREAST
Breast implant dispute may pay off. 104, Nov, nl

BREAST NEOPLASMS
Breast exams. 143, May, et
Clinical challenge—breast cancer in pregnancy. 49-55, Mar, oa
DMPA: a new contraception option. 20, 26, Jan, oa
Estrogen therapy and breast cancer risk. 103, Nov, nl
HRT for the woman who has had breast Ca? 33-65, Jul, oa
Maximizing mammography quality. 43-51, Jun 15, oa
Mechanisms of breast cancer. 102-105, Apr 15, nl
Skinny on fat and breast cancer. 68, Jun 15, nl
Unknown stage—breast cancer. 68, Jun 15, nl

BREAST-FEEDING
Breastfed is still best fed. 6-9, Feb, ed
Breastfeeding and HIV infection. 146, Jan, nl

PHYSICIAN-PATIENT RELATIONS
Graduation thoughts. 6-9, Jul, ed
How practice guidelines aid patient management. 26, May, oa
Real bottom line. 8, Apr, ed

PLACENTA
Acute puerperal uterine inversion. 13, 16, 19, Jul, em
How Doppler ultrasound assesses fetal condition. 54-64, Feb, oa
Pitfalls and opportunities in fetal sonography. 26, Jun 15, oa
Postpartum hemorrhage. 23-26, Aug, em
Twin placentas. 143, May, et
Twin placentas. Author's reply. 143, May, et
Weighing the advantages CVS confers. 107-130, Jan, sy

PLACENTA PREVIA
Antepartum bleeding. 12-16, Dec, em

POLYHYDRAMNIOS
Umbilical cord prolapse. 24, Nov, em

POSTOPERATIVE CARE
Secondary closure. 35-36, Feb, cd
Which surgical patients need nutritional support? 26, 31, 32, Jun, oa

POSTOPERATIVE COMPLICATIONS
Anatomic changes of ureter during vaginal hysterectomy. 38-53, Feb, oa
How to choose the right abdominal incision. 56-73, Mar, oa
Laparoscopic-assisted hysterectomy: approach with caution. 19-22, 31, Sep, oa
Legal issues in operative laparoscopy. 31-39, Aug, oa
Practical guide to resectoscopic surgery. 14, 24, 32, Apr 15, oa
Sexual dysfunction after hysterectomy. 39-46, Mar, oa

PREECLAMPSIA
Aspirin use during pregnancy. 88-95, 103, Apr, sy
Hypertensive crisis. 11, Jun, em

PREGNANCY COMPLICATIONS
Antepartum bleeding. 11-24, Dec, em
Aspirin use during pregnancy. 86-107, Apr, sy
Clinical challenge—breast cancer in pregnancy. 49-55, Mar, oa
Effects of upper GI dysmotility in pregnancy. 67-82, Feb, oa
Gynecologic care of the disabled woman. 62, Jan, oa
HRT for the woman who has had breast Ca? 37, Jul, oa
Inflammatory bowel disease in pregnant women. 41-53, Apr, oa
Lower urinary tract infections in pregnancy. 99-103, Mar, oa
Managing unexplained elevated MSAFP with ultrasound and amniocentesis. 10-16, Mar, gp
Ob-gyn problems of adolescence are universal. 37, Jan, oa
Premature rupture of membranes: relevance and frequency. 33-44, May, oa
Treating pregnant patients who have epilepsy. 57-77, Aug, oa
Urinary tract infection: is it reinfection or recurrence? 99-106, Feb, sy

PREGNANCY IN DIABETES
Preventing diabetes during pregnancy. 120-121, Apr, nl
Suit for emotional distress. 110, Aug, mu

PREGNANCY, ECTOPIC
Pitfalls and opportunities in fetal sonography. 22, Jun 15, oa

PREGNANCY, MULTIPLE
Pitfalls and opportunities in fetal sonography. 23, Jun 15, oa

PREMATURE RUPTURE OF MEMBRANES
Premature rupture of membranes: relevance and frequency. 33-44, May, oa
Premature rupture of membranes: amniotic fluid infection. 75-80, Nov, oa
Premature rupture of membranes: steps in diagnosis. 25-36, Dec, oa
PROM at term: induction versus expectant management. 79-85, Aug, oa

PREMENSTRUAL SYNDROME
Long-term consequences of female and male sterilization. 45, Aug, oa

PRENATAL CARE
Health-care planning: inclusive vs. exclusive. 8-11, May, ed
Miscalculation of due date leads to award. 108, Dec, mu
Prenatal diagnosis and genetic counseling for NF-1 and NF-2. 15-16, Jan, gp
Preventing diabetes during pregnancy. 120-121, Apr, nl
Putting perinatal dollars up front. 8, Jun, ed

PRENATAL DIAGNOSIS
Early CVS associated with limb reduction defects. 121, Apr, nl
Gynecologic care of the disabled woman. 61, 62, Jan, oa
HBV vaccination in newborns: why the delay? 38, 39, Dec, oa
Identifying fetal movement and behavior patterns. 11-16, Sep, oa
Should ultrasound be routine? 9-16, Nov, et
Telling your patient about abnormal genetic test results. 13-16, Feb, gp
Weighing the advantages CVS confers. 107-130, Jan, sy

PREOPERATIVE CARE
Which surgical patients need nutritional support? 26, Jun, oa

PROGESTATIONAL AGENTS
Endometriosis therapy: what impact on bone mass? 68, Oct, oa
HRT for the woman who has had breast Ca? 40, 42, 54-64, Jul, oa

PROGESTERONE
How stress can affect ovarian function. 89, Jul, oa
HRT for the woman who has had breast Ca? 37, 40, 42, Jul, oa

PROLAPSE
Anatomic changes of ureter during vaginal hysterectomy. 38, 40, 45, Feb, oa
Pelvic floor dysfunction: causes and prevention. 68-80, Jan, oa
Umbilical cord prolapse. 23-32, Nov, em
Vasopressin use during vaginal surgery. 84, Jan, oa

PROSTAGLANDINS
Aspirin use during pregnancy. 86, 87, 95, Apr, sy
PROM at term: induction versus expectant management. 79, 81-85, Aug, oa
Using prostaglandin E2 for cervical ripening. 78-84, Apr, oa

PROTECTIVE DEVICES
Hepatitis A through E: new viruses, new problems. 62, May, oa

PULMONARY EDEMA
Preventing preterm labor with tocolytics. 22, 24, Mar, oa

PYELONEPHRITIS
Self-medication protocol for UTI patients. 76, 79, May, oa
Urinary tract infection: is it reinfection or recurrence? 93, 99-106, Feb, sy

PYURIA
Urinary tract infection: is it reinfection or recurrence? 87, Feb, sy

QUALITY ASSURANCE
CLIA really does bite. 99, Sep, nl
Clinical applications of tumor markers. 60, 61, 66, 72, Nov, oa
How practice guidelines aid patient management. 21-31, May, oa
Latest HPV findings: some clinical implications. 34, 35, 39, Oct, oa
Managing patients with low-grade Pap smears. 87-94, Nov sy
Maximizing mammography quality. 47-50, Jun 15, oa
Office laboratories: what CLIA means to you. 59-64, Apr 15, oa

QUESTIONNAIRES
Irritable bladder—a commonsense approach. 70, 77, Apr, oa
When you first suspect substance abuse. 76, 79, Mar, oa
Women rate contraceptive choices. 99, Nov, nl

RADIATION EFFECTS
Emotional distress. 106-107, Nov, mu

RADIOGRAPHY
Maximizing mammography quality. 43-51, Jun 15, oa

RADIOTHERAPY
Cutaneous coverage for groin and perineal wounds. 45, Dec, oa

RECURRENCE
Urinary tract infection: is it reinfection or recurrence? 88, Feb, sy

REFERRAL AND CONSULTATION
Medical, legal, and ethical considerations in prenatal injury cases. 19, 23, Apr, oa
When you first suspect substance abuse. 90-94, Mar, oa

REPRODUCTION
Current status of GIFT. 59-72, Dec, oa
Fertility, pregnancy, and the older woman. 101-123, May, oa
How ethical considerations affect clinical care. 104-136, Mar, sy

RESEARCH
Clinical trial subjects. 101-102, Oct, nl
Contraception research in US. 108, Aug, nl
FDA ban on fertile women lifted. 105-106, Jul, nl
FDA plans to investigate doctor-drug company connections. 107, Oct, mu
Health care in the US: what about adolescents? 96, May, oa
How practice guidelines aid patient management. 29, May, oa
Medicines specifically for women. 108, Aug, nl

RESPIRATORY DISTRESS SYNDROME, ADULT
Updated approach to complete molar pregnancy. 80, Jul, oa

RESPIRATORY DISTRESS SYNDROME, INFANT
Let's rethink meconium suctioning. 23-31, Jul, oa

RESPIRATORY SYSTEM
How to choose the right abdominal incision. 60, Mar, oa

RH-HR BLOOD GROUP SYSTEM
Mother not provided immunization. 126-129, Feb, mu
Weighing the advantages CVS confers. 110, Jan, sy

RISK FACTORS
Acute puerperal uterine inversion. 13, Jul, em
Aspirin use during pregnancy. 86-107, Apr, sy
Cancer risk with injectable contraceptive. 102-105, Apr 15, nl
Case hinges on informed consent. 146-149, May, mu
Clinical challenge—breast cancer in pregnancy. 53, Mar, oa
Detecting fetal-pelvic disproportion. 54, 57, 64, Jun 15, oa
DMPA: a new contraception option. 26, Jan, oa
Endometriosis therapy: what impact on bone mass? 71, Oct, oa
HBV vaccination in newborns: why the delay? 38, 39, Dec, oa
How Doppler ultrasound assesses fetal condition. 61, 63, Feb, oa
How ethical considerations affect clinical care. 110, Mar, sy
HRT for the woman who has had breast Ca? 33-65, Jul, oa
Interpreting the new Bethesda classification system. 91, Aug, sy
Interventions to prevent preterm delivery. 54-68, Apr, oa
Latest HPV findings: some clinical implications. 28, 36, Oct, oa
NTDs and folic acid. 15-16, Aug, gp
OC use after 35: medicolegal implications of revised labeling. 35-44, Nov, oa
Ovarian cancer prevention. 131-132, Jan, et
Ovarian cancer prevention. Author's reply. 131-132, Jan, et
Postpartum hemorrhage. 21-23, Aug, em
Reducing patients' risk for coronary artery disease. 53-70, Jun, oa
Sexual activity among US teens. 154, Mar, nl
Three important new hepatitis viruses: C, D, and E. 77, Jun, oa
Triplet and higher order pregnancies. 36-50, Jun, oa
Umbilical cord prolapse. 23, 24, Nov, em
When is ovarian cancer screening helpful? 28, Feb, oa

RITODRINE
Acute puerperal uterine inversion. 16, Jul, em
Preventing preterm labor with tocolytics. 21-37, Mar, oa
Tocolysis results. 106, Sep, et
Tocolysis results. Author's reply. 106, Sep, et

SAFETY
Fear of needle-stick injury. 107, Nov, mu
Universal precautions are now mandatory. 53-57, Apr 15, oa

SELF MEDICATION
Self-medication protocol for UTI patients. 75-86, May, oa

SEMEN
How practical are male infertility technologies? 82-86, Sep, oa

SEPTIC SHOCK
Antiendotoxin. 148-150, Mar, et
Antiendotoxin. Author's reply. 150, Mar, et

SEX BEHAVIOR
Gynecologic care of the disabled woman. 58, Jan, oa
Health care in the US: what about adolescents? 95, May, oa
Latest HPV findings: some clinical implications. 28, Oct, oa
Ob-gyn problems of adolescence are universal. 37-51, Jan, oa
Sexual activity among US teens. 154, Mar, nl
Sexual lifestyles in Britain and France. 115, Apr, nl

SEX EDUCATION
Ob-gyn problems of adolescence are universal. 37-51, Jan, oa

SEX PARTNERS
Sexual dysfunction after hysterectomy. 44, Mar, oa
Women's AIDS risk. 108, Oct, mu

SEXUAL ABUSE
Sexual harassment during medical training. 105, Jul, nl

SEXUAL DYSFUNCTION
Sexual dysfunction after hysterectomy. 39-46, Mar, oa

SEXUALLY TRANSMITTED DISEASES
Hepatitis A through E: new viruses, new problems. 55, 67, May, oa
Lower urinary tract infections in pregnancy. 100, Mar, oa
Ob-gyn problems of adolescence are universal. 37-40, Jan, oa
Rational management of cervical and vulvar neoplasia. 92, 98, Jun, oa
Sexual lifestyles in Britain and France. 115, Apr, nl

SMOKING
Another reason to quit smoking. 119, Apr, nl
Getting smokers to pack it in. 6-9, Mar, ed
OC use after 35: medicolegal implications of revised labeling. 36, 39, Nov, oa
War on smoking. 122, Feb, nl

SOCIOECONOMIC FACTORS
Fertility, pregnancy, and the older woman. 102, May, oa
Health care in the US: what about adolescents? 94, 95, May, oa
Interventions to prevent preterm delivery. 56-66, Apr, oa
When you first suspect substance abuse. 83, 87, Mar, oa

SPERMATOZOA
Current status of GIFT. 60, 61, 65, 67, Dec, oa
Fertility, pregnancy, and the older woman. 107, 108, May, oa
How ethical considerations affect clinical care. 120, 122, Mar, sy
How practical are male infertility technologies? 76-88, Sep, oa

SPINA BIFIDA
Value of screening for fetal posterior fossa. 37-56, Sep, oa

STANDARDS OF CARE
How practice guidelines aid patient management. 21-31, May, oa
Legal issues in operative laparoscopy. 35-39, Aug, oa
Standardizing our standards. 6, Nov, ed

STAPLERS, SURGICAL
Laparoscopic-assisted vaginal hysterectomy. 78, 83, 84, 95, Apr 15, sy
Laparoscopic-assisted hysterectomy: approach with caution. 26, 27, Sep, oa

STATISTICS
HRT for the woman who has had breast Ca? 33-65, Jul, oa

STERILIZATION REVERSAL
How practical are male infertility technologies? 81, 82, Sep, oa
Long-term consequences of female and male sterilization. 46, Aug, oa

STERILIZATION, TUBAL
How ethical considerations affect clinical care. 135, Mar, sy
Long-term consequences of female and male sterilization. 41-54, Aug, oa

STRESS
How stress can affect ovarian function. 87-94, Jul, oa

SUBSTANCE ABUSE
Health care in the US: what about adolescents? 95, May, oa
Police permitted to inspect prescription records. 100-102, Jul, mu
Substance abuse treatment subject to discovery. 138, Mar, mu
When you first suspect substance abuse. 74-94, Mar, oa

SULFONAMIDES
Inflammatory bowel disease in pregnant women. 49, Apr, oa

SURGERY
Analgesia for cold coagulation. 154-155, Mar, nl
Anatomic changes of ureter during vaginal hysterectomy. 38-53, Feb, oa
Autologous donation—a safe transfusion alternative. 27-38, Apr, oa
Clinical challenge—breast cancer in pregnancy. 53, Mar, oa
Cutaneous coverage for groin and perineal wounds. 45-57, Dec, oa
How practical are male infertility technologies? 78-82, Sep, oa
How to choose the right abdominal incision. 56-73, Mar, oa
Incision choices. 97, Oct, et
Incision choices. Author's reply. 97, Oct, et
Laparoscopic-assisted vaginal hysterectomy. 71-100, Apr 15, sy
Laparoscopic-assisted hysterectomy: approach with caution. 19-34, Sep, oa
Legal issues in operative laparoscopy. 31-39, Aug, oa
Needle left in patient's breast. 108, Oct, mu
Ovarian cancer prevention. 131-132, Jan, et
Ovarian cancer prevention. Author's reply. 131-132, Jan, et
Practical guide to resectoscopic surgery. 11-39, Apr 15, oa
Secondary closure. 35-36, Feb, cd
Updated approach to complete molar pregnancy. 78-84, Jul, oa
Vaginal hysterectomy. 147, Mar, et
Vaginal hysterectomy. Author's reply. 147, Mar, et
Vasopressin use during vaginal surgery. 82-94, Jan, oa
Which surgical patients need nutritional support? 25-35, Jun, oa

SURGICAL EQUIPMENT
Laparoscopic-assisted vaginal hysterectomy. 77-84, Apr 15, sy

SURGICAL FLAPS
Cutaneous coverage for groin and perineal wounds. 45-57, Dec, oa

SURGICAL INSTRUMENTS
Laparoscopic entry instrumentation: product options and designs. 44-50, Apr 15, oa
Practical guide to resectoscopic surgery. 11-39, Apr 15, oa

SUTURES AND SUTURE TECHNIQUES
How to choose the right abdominal incision. 67-73, Mar, oa
Laparoscopic-assisted hysterectomy: approach with caution. 27, Sep, oa
Secondary closure. 35-36, Feb, cd
Vasopressin use during vaginal surgery. 82, 84-86, Jan, oa

SYPHILIS
Syphilis: early latent or late latent? 105, Apr 15, nl

TAMOXIFEN
HRT for the woman who has had breast Ca? 61, 64, Jul, oa

TECHNOLOGY, MEDICAL
Blood substitute sought. 145-146, Jan, nl
Equipment that serves our needs. 8, Apr, ed
How ethical considerations affect clinical care. 104-136, Mar, sy
How practice guidelines aid patient management. 26, May, oa
Laparoscopic entry instrumentation: product options and designs. 44-50, Apr 15, oa
Ob-gyn in 2013. 6-13, Jan, ed
Practical guide to resectoscopic surgery. 11-39, Apr 15, oa

TERBUTALINE
Acute puerperal uterine inversion. 16, 19, Jul, em
Preventing preterm labor with tocolytics. 21-37, Mar, oa

TESTOSTERONE
Sexual dysfunction after hysterectomy. 39, 40, 46, Mar, oa

THROMBOXANES
Aspirin use during pregnancy. 86-88, 95, Apr, sy

TOCOLYSIS
Should ultrasound be routine? 9, 13, Nov, et
Tocolysis results. 106, Sep, et
Tocolysis results. Author's reply. 106, Sep, et

TOCOLYTIC AGENTS
Preventing preterm labor with tocolytics. 21-37, Mar, oa

TRIPLETS
Triplet and higher order pregnancies. 36-50, Jun, oa

TROPHOBLAST
Updated approach to complete molar pregnancy. 78-84, Jul, oa

TUBERCULOSIS
No one is immune from TB. 95-99, Sep, nl

TWINS
Expert witness summoned too late. 126, Feb, mu
Interventions to prevent preterm delivery. 56, Apr, oa
Mental retardation of twins differs. 149, Jan, mu
Twin placentas. 143, May, et
Twin placentas. Author's reply. 143, May, et

ULTRASOUND
Antepartum bleeding. 12, 21, Dec, em
Detecting fetal-pelvic disproportion. 53-67, Jun 15, oa
Effects of upper GI dysmotility in pregnancy. 81, Feb, oa
Hormone replacement therapy: use routine endometrial sampling? 50, 52, Nov, oa
How Doppler ultrasound assesses fetal condition. 54-64, Feb, oa
How practical are male infertility technologies? 76-78, Sep, oa
Identifying fetal movement and behavior patterns. 11-14, Sep, oa
Keeping up with ultrasound. 8, Jun 15, ed
Managing unexplained elevated MSAFP with ultrasound and amniocentesis. 10-16, Mar, gp
Office transvaginal sonography: uterine cancer applications. 11-20, Jun 15, oa
Pitfalls and opportunities in fetal sonography. 22-40, Jun 15, oa
Practical guide to resectoscopic surgery. 12, 21, Apr 15, oa
Premature rupture of membranes: steps in diagnosis. 25, Dec, oa
Prenatal diagnosis and genetic counseling for NF-1 and NF-2. 16, Jan, gp
Self-medication protocol for UTI patients. 82, May, oa
Should ultrasound be routine? 9-16, Nov, et
Single umbilical artery. 111, Feb, et
Single umbilical artery. Author's reply. 111, Feb, et
Triplet and higher order pregnancies. 43, Jun, oa
Updated approach to complete molar pregnancy. 78, 84, Jul, oa
Value of screening for fetal posterior fossa. 37-56, Sep, oa
Weighing the advantages CVS confers. 108, 110, Jan, sy
When is ovarian cancer screening helpful? 21, 22, 27, Feb, oa

UMBILICAL CORD
How Doppler ultrasound assesses fetal condition. 54-64, Feb, oa
Single umbilical artery. 111, Feb, et
Single umbilical artery. Author's reply. 111, Feb, et
Umbilical cord prolapse. 23-32, Nov, em

URETERS
Anatomic changes of ureter during vaginal hysterectomy. 38-53, Feb, oa
Laparoscopic-assisted hysterectomy: approach with caution. 22, 27, 31, Sep, oa

URETHRA
Recurrent incontinence. 111-118, Feb, et
Recurrent incontinence. Author's reply. 111-118, Feb, et
Urinary tract infection: is it reinfection or recurrence? 93, 95, Feb, sy

URINARY INCONTINENCE, STRESS
Nonsurgical therapy for SUI. 79-94, Oct, oa
Pelvic floor dysfunction: causes and prevention. 74, Jan, oa
Recurrent incontinence. 111-118, Feb, et
Recurrent incontinence. Author's reply. 111-118, Feb, et

URINARY TRACT INFECTION
Lower urinary tract infections in pregnancy. 99-103, Mar, oa
Self-medication protocol for UTI patients. 75-86, May, oa
Urinary tract infection: is it reinfection or recurrence? 84-108, Feb, sy

US FOOD & DRUG ADMINISTRATION
Marketing RU-486 in US. 138, Mar, mu

UTERINE RUPTURE
Antepartum bleeding. 22, Dec, em

UTERUS
Acute puerperal uterine inversion. 13-21, Jul, em
Anatomic changes of ureter during vaginal hysterectomy. 50, 53, Feb, oa
Office transvaginal sonography: uterine cancer applications. 11-20, Jun 15, oa
Pelvic floor dysfunction: causes and prevention. 68-80, Jan, oa
Practical guide to resectoscopic surgery. 22, 24, 32, 36, Apr 15, oa

VACCINES
Chickenpox treatments questioned. 115-116, Feb, nl
HBV vaccination in newborns: why the delay? 37-42, Dec, oa
Hepatitis A through E: new viruses, new problems. 52, 62, 68, May, oa
Hepatitis vaccination recommended. 144, Jan, nl
Universal precautions are now mandatory. 57, Apr 15, oa

VAGINA
Vasopressin use during vaginal surgery. 82-94, Jan, oa

VARICELLA-ZOSTER VIRUS
Benefit from today's antivirals. 58, 59, Sep, oa

VARICOSE VEINS
How practical are male infertility technologies? 78, 81, Sep, oa

VASECTOMY
Long-term consequences of female and male sterilization. 46-54, Aug, oa

VASOCONSTRICTION
Vasopressin use during vaginal surgery. 82-94, Jan, oa

VASOPRESSIN
Practical guide to resectoscopic surgery. 36, 39, Apr 15, oa
Using vasopressin in paracervical block. 42-44, Oct, cd
Vasopressin use during vaginal surgery. 82-94, Jan, oa

VIDEO CAMERA
Practical guide to resectoscopic surgery. 16, 21, Apr 15, oa

VIOLENCE, DOMESTIC
Medical, legal, and ethical considerations in prenatal injury cases. 13, 14, 19, 23, Apr, oa

VIRUSES
Three important new hepatitis viruses: C, D, and E. 71-91, Jun, oa

VITAMINS
Aspirin use during pregnancy. 93, 107, Apr, sy
Childhood cancer and vitamin K prophylaxis. 109, Dec, nl
Neural tube defects. 116-118, Feb, nl
NTDs and folic acid. 15-16, Aug, gp
Treating pregnant patients who have epilepsy. 68, 72, Aug, oa

VULVAR NEOPLASMS
Rational management of cervical and vulvar neoplasia. 92-112, Jun, oa

WARTS
Benefit from today's antivirals. 75, Sep, oa

WORK
Interventions to prevent preterm delivery. 56-63, Apr, oa

WOUND HEALING
Secondary closure. 35-36, Feb, cd

WOUND INFECTION
Cutaneous coverage for groin and perineal wounds. 45, Dec, oa
How to choose the right abdominal incision. 58, 60, 68, Mar, oa
Secondary closure. 35, Feb, cd

WOUNDS AND INJURIES
Medical, legal, and ethical considerations in prenatal injury cases. 13-23, Apr, oa

ZYGOTE
Current status of GIFT. 59, 67, 70, Dec, oa □
